Only \$4500 was appropriated for Makawao, and as this was not considered enough, it was raised to \$6,000, making the total sum \$26,500. Having presented the report, Mr. Paris said before taking his seat: "The committee thought it best to place the money directly in the hands of the various road boards instead of trusting to the discretion of the Superintendent of Public Works."

When the Senate met this forenoon, Mr. Achi reported for the Printing Committee to the effect that Senate bills 45 and 66 had been printed and were ready for distribution.
